Rice, Joann 4:03 PM:

I see that you are in the Chicago TSD. Please do not make any changes to the document. Both AQPD management and AQAD are still making changes. Thanks, Joann

Svingen, Eric 4:03 PM:

Hey Joan, yes I understand that we are in "pencils down" mode. I have not and will not make changes.

Rice, Joann 4:04 PM:

Great - thanks. We are running down to the wire.

Svingen, Eric 4:04 PM:

Yes I understand!!

Svingen, Eric 4:05 PM:

There is one change I did want to recommend to you: I suggest deleting the second paragraph in the conclusion. Originally, this stated that the Illinois portion of the area did not change between 1997, 2008, and 2015. Now that we are dropping McHenry, this sentence is inaccurate.

Rice, Joann 4:15 PM:

I just did it. I am leaving the document. Scott Mathias is reviewing now.
